

SSA Owned Boat Use Program 2018-Draft-3

This program is intended to encourage SSA member participation in the club and member use of the SSA owned boats. The SSA Board recently purchased a Capris 18 sailboat in addition to the Holder 14 sailboats we already own. To make better use of all of our boats, the SSA Board has re-written our boat use policy.

Highlights of the new policy include:

- ❖ Members can use the boats, with some restrictions, at any time they want.
- ❖ To promote responsible use of boats, a skills test and a detailed pre & post use checklist is required.
- ❖ Use of the boats is strictly limited to SSA members and their guests.

Who can use the SSA sail boats:

Each person on any SSA sail boat shall have signed a waiver and be wearing a life jacket at all times. Each boat shall have at least one SSA member over the age of 12 on board.

An SSA member over the age of 18 shall accompany passengers under the age of 12

SSA members and their guests are the only authorized users

The boats cannot be rented or otherwise used by the general public.

In addition to being an SSA member, the person responsible for using each boat shall:

Have passed a Sailing Certification which includes:

Be able to swim

Has demonstrated basic sailing skills:

Rig, launch, tack, jibe and land the boat without assistance or running into things.

These skills shall be demonstrated on the boat the user intends to sail.

Can use a VHF radio

And/Or has attended one of the City of Sandpoint 8 hour Sailing classes

Complete the pre-use and post-use survey of the boat

Accept personal responsibility for any damage to the boat, damage to other boats or property, costs of retrieval, towing, or search and rescue efforts that may arise from use of the boat.

All Passengers on SSA Sailboats
